

# The Schenectady CROP Walker — 2008

## \$1 Million Mark Passed!

The 25th Annual Crop Walk was, once again, a huge success! Although somewhat inclement weather was forecast, good weather prevailed and the rain stayed away! This was a banner year for the Schenectady Crop Walk, as we surpassed the \$1 million mark for total funds raised since the first year, back in 1984. To date, \$53,000 has been collected.

## Church World Service's Africa Initiative: Giving Children Hope

In 2004, Church World Service launched a four-year *Africa Initiative*—an intensive commitment to help our neighbors on that vast continent develop innovative and sustainable strategies to address the causes of relentless life-threatening poverty. The *Initiative* has focused on five critical areas of concern: 1) hunger and poverty alleviation; 2) durable solutions

for the displaced; 3) Water for All, Water for Life; 4) peace building and conflict resolution; and 5) HIV and AIDS, particularly the devastating effects on millions of children. Your CROP Walk supports this!

## One Walker's "Steps"

Long-time CROP Walker Jim Miller of Syracuse, NY, discovered how easy it is to raise funds online. In his own words, "I've finally reached the 21st century!"

For 25 years, Jim walked in the Syracuse CROP Hunger Walk. For many of those years he was Coordinator of the Walk. As a Social Studies teacher at Corcoran High School, he also invited his students to get involved. Each year, he sent letters to his family and friends asking for their support.

Now retired, he teaches part-time at the State University of New York in Cortland, where he assigns the CROP Hunger Walk as one of his students' projects. Last year, Jim for the first time reached out to family and friends "the modern way" by asking for sponsorship through the CROP Hunger Walk online option. "It was easy, secure, and it worked! I raised a total of \$220 online. Next year I know I can top \$500!"

## \$11,862 Raised by Lutherans

90 volunteers [30 households] from 5 Lutheran churches participated in the 2008 Crop Walk. They raised \$7,862 which Thrivent matched with an additional \$4000. Thrivent is a Lutheran affiliated insurance company that each year provides assistance in local communities where there are members. The local Thrivent chapter has matched local CROP Walk funds for several years. Locally, Thrivent has also supported Habitat for Humanity, SICM, and others.

# The Many CROPWalk Participants

This year's event was a wonderful celebration. While all the tallies are not yet complete, we estimate that this year's walk involved 700 walkers or runners and will raise over \$55,000. We had a number of new groups participating. With counting all the organizers, participants, and supporters, the volunteer hours are at least 4,000 hours of service — and likely more!
